The design of this Alphabetical Concord-
ing Index or Reference, (to the second and
third editions of the Book of Mormon,) is for
the convenience and satisfaction of the elders
and members of the church of Jesus Christ of
Latter-day Saints, together with any others
into whose hands any of the above editions of
the book may fall ; this, together with my
own desire for a work of this kind may ac-
count for the existence of this.
